

Southern Regional Science Association

50th Anniversary Meetings

Join us in the French Quarter of New Orleans to celebrate our 50th anniversary. The conference will be held at the Royal Sonesta Hotel on March 23-27, 2011. The location in the heart of the French Quarter couldn't be better, just steps away from Pat O'Brien's, Emeril's, the Café du Monde, and many other restaurants and taverns that make the Big Easy famous across the world.

Plenary sessions will be organized around regional resilience and sustainable development, given the challenges facing New Orleans since Katrina and now the Gulf oil spill. Optional tours of the re-building and clean-up effort are expected to be a part of the program.

There will be special sessions for the 50-year anniversary meetings in 2011. Fellows of SRSA and Past Presidents are especially encouraged to organize special sessions on topics with which you have long been associated.

Our Program Chair and President-elect is Doug Woodward, University of South Carolina.

Please e-mail Doug at woodward@moore.sc.edu to contribute a session or paper.

We hope to see you in March 2011!
